

COMPANY NAME:

Prudential

JOB TITLE:

Associate, Actuarial

DESCRIPTION/RESPONSIBILITIES:

This position is in the Reinsurance Negotiations area. This area works on all aspects of the reinsurance negotiations process including:

- * Soliciting and analyzing reinsurance bids.
- * Negotiating issues with reinsurers.
- * Preparing treaties for internal and external reinsurance.
- * Documenting reinsurance rules and procedures.

This position will require the associate to think through and analyze problems. The associate should possess strong mathematical and analytical skills. In addition, this position requires the candidate to develop relationships with many internal and external partners. It is important that the candidate has strong communication and interpersonal skills.

REQUIRED SKILLS:

This job is an entry level position. The successful candidate will possess the following qualifications:

- * Undergraduate degree in a mathematics, finance, or accounting related field preferred.
- * Aptitude for math and strong analytical skills.
- * Strong oral and written communication skills.
- * Strong interpersonal skills.
- * Ability to work independently and as part of a team.
- * Strong attention to detail.
- * Firm working knowledge of MS Excel and Word.

Prudential is an Equal Opportunity/Affirmative Action Employer and is committed to diversity in its workforce.
