

U.S. Asset Allocation Manager Opening in Chicago

For over 65 years, Hewitt has been helping leading companies around the world get a great return on their most important investment-their people. We've earned our reputation for HR excellence through the thought leadership of Hewitt Consulting and the administrative leadership of Human Resources Outsourcing.

Clients look to us for best-of-breed solutions to specific problems as well as fully integrated solutions that bring together our broad range of services. We enable our clients to build shareholder value by helping them hire, develop, motivate, retain and reward the employees who create that value every day.

Hewitt began as an HR consulting firm-and our thought leadership, innovative consulting solutions, and client-intimate service remain the cornerstone of who we are. Our broad-based and unique consulting capabilities give companies worldwide the experience, creativity, and resources they need to take on their biggest human resources and organizational challenges.

- Deliver Asset Allocation product to existing US Investment clients through US Investment consultants and directly to clients. Support US Investment consultants and clients in responding to Asset Allocation related requests.
- Make a significant contribution to winning new US Investment business and win stand-alone Asset Allocation business. Expand DCS offering to include Asset Allocation element.
- Introduce "Investment" element to US Actuarial clients through US Actuarial consultants and also directly. Enhance Actuarial offering through deepening investment perspective.
- Contribute to Global Asset Allocation Team research, debate and asset allocation views.

Qualifications:

- Good investment knowledge including some knowledge of equity analysis and asset allocation. For example, individual should be familiar with measures typically used to value equities and the major factors determining investment in "alternative" asset classes. In depth understanding of bond markets required.
- Good knowledge of US pension fund industry including aspects relating to Risk.
- Very strong presentational and communication skills (including writing skill)
- Well developed people and networking abilities. Able to gain credibility internally and externally
- Numerical with ability to think fundamentally
- Team player
- Qualifications: ideal but not mandatory - CFA, FSA, ASA, and/or MBA/masters degree in finance or economics
- Will have spent some time at a fund management house or at an investment bank in an asset management role or have direct asset allocation experience at a consultancy.

- Good number of years experience in a client facing role. Total experience in relevant role should be 10 years plus.
- Will have worked with pension fund clients and not just as a fund manager or marketer of investment funds.
- Some knowledge of Endowments would be a plus.

All positions require an applicant who has accepted an offer to undergo a background check. The checks run are based on the nature of the position. Background checks may include some or all of the following: education verification, employment verification, criminal check, Denied Restricted Parties Lists or OFAC lists check, fingerprint verification, credit check, and/or drug test. By applying for a position with Hewitt Associates, you understand that you will be required to undergo a background check should you be made an offer. You also understand that the offer is contingent upon successful completion of the background check and results consistent with Hewitt's employment policies. You will be notified during the hiring process which checks are required by the position.

Hewitt is an Equal Opportunity Employer Committed to Diversity, M/F/D/V
