

COMPANY NAME:

Prudential

JOB TITLE:

VP, Financial Risk Policy

DESCRIPTION/RESPONSIBILITIES:

This position is in the Economic Capital and Risk Management Strategy Unit within Enterprise Risk Management. Primary responsibilities for this position include designing and implementing an enterprise-wide Risk Policy Statement ("RPS"), including a Risk Appetite Statement ("RAS"). The RAS will include an articulation of the Company's Risk Preferences and Risk Tolerances, including enterprise-level risk limits for the Company's major risk types. Over time, the VP will work in close coordination with other groups within ERM, with a primary objective of developing enterprise-level risk policies by risk type, consistent with the overall Enterprise-wide RPS. The VP will also work closely with members of the CIO Organization, the Finance Organization and the Business Units in developing the RPS and enterprise risk limits.

REQUIRED SKILLS:

Basic qualifications:

10+ years of business experience, with majority in risk management related roles

Experience in managing and/or analysing market risks, including credit risk

Experience in implementing risk models

Working knowledge of statutory and GAAP accounting

CFA, FRM, or PRM qualifications a plus

Preferred qualifications:

Strong collaboration skills

Ability to explain complex ideas to peers and senior management

Strong project management skills with the ability to balance multiple priorities in an often time-constrained environment
